

厦门大学
Xiamen University

The 16th International Conference on Electronic Business
Xiamen University, Xiamen, PR China, December 4-8 2016

CALL FOR PAPERS

Theme: *Internet+*

"Internet Plus" refers to the application of the internet and other information technology in conventional industries. It is an incomplete equation where various internets (mobile Internet, cloud computing, big data or Internet of Things) can be added to other fields, fostering new industries and business development. The topics of interest include, but are not limited to:

- Track 1–Business/Enterprise Transformations
- Track 2–Supply Chain Networks
- Track 3–Impacts of Mobile and Social Technologies
- Track 4–Data Mining and Business Intelligence
- Track 5–Internet of Things
- Track 6–Consumer Behavior in Electronic Business
